

a

The image shows a large, bold, red lowercase letter 'a' centered on a white background. The letter is positioned between a solid black top line and a solid black bottom line. A dashed black line is located above the top solid line, and another dashed black line is located below the bottom solid line, creating a central writing area. The letter 'a' is slightly below the top dashed line and above the bottom solid line.

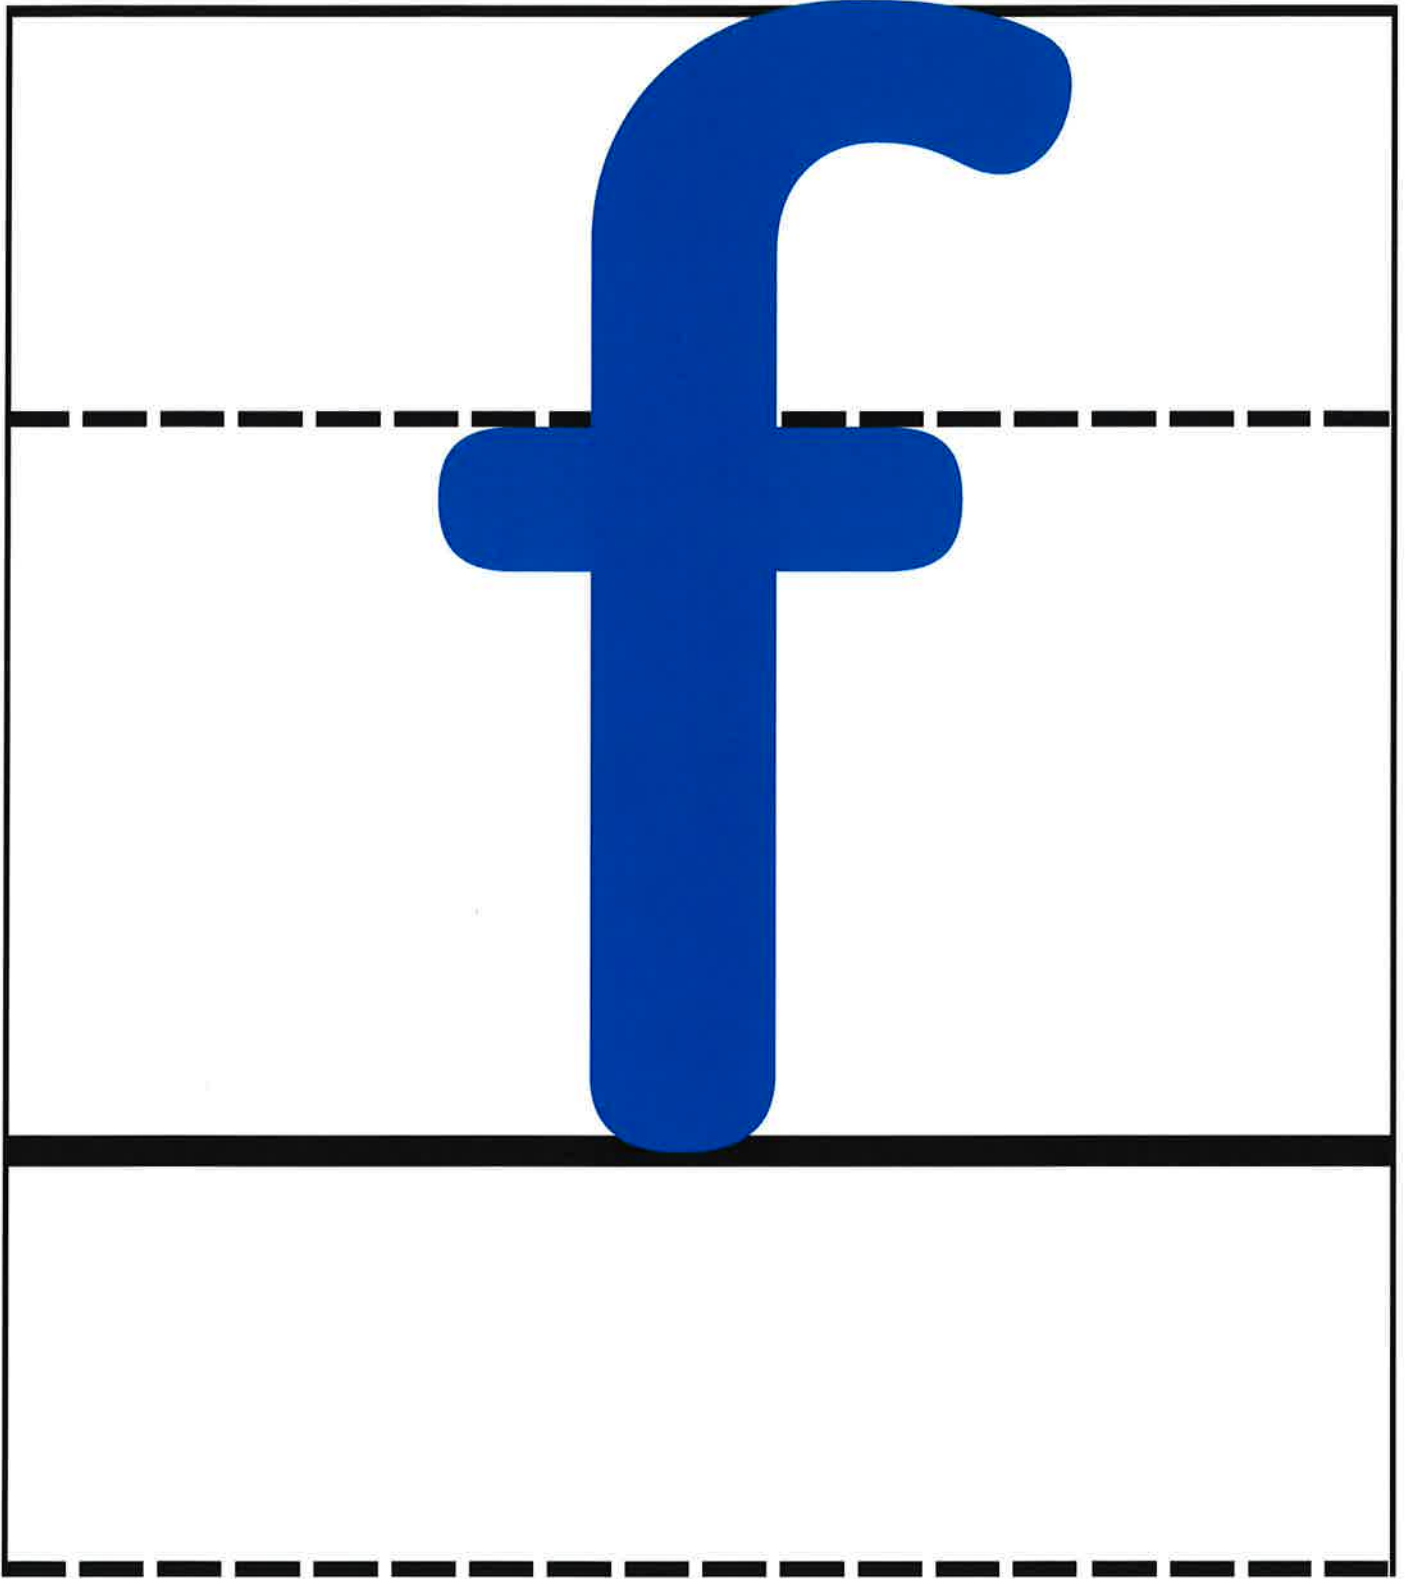

b

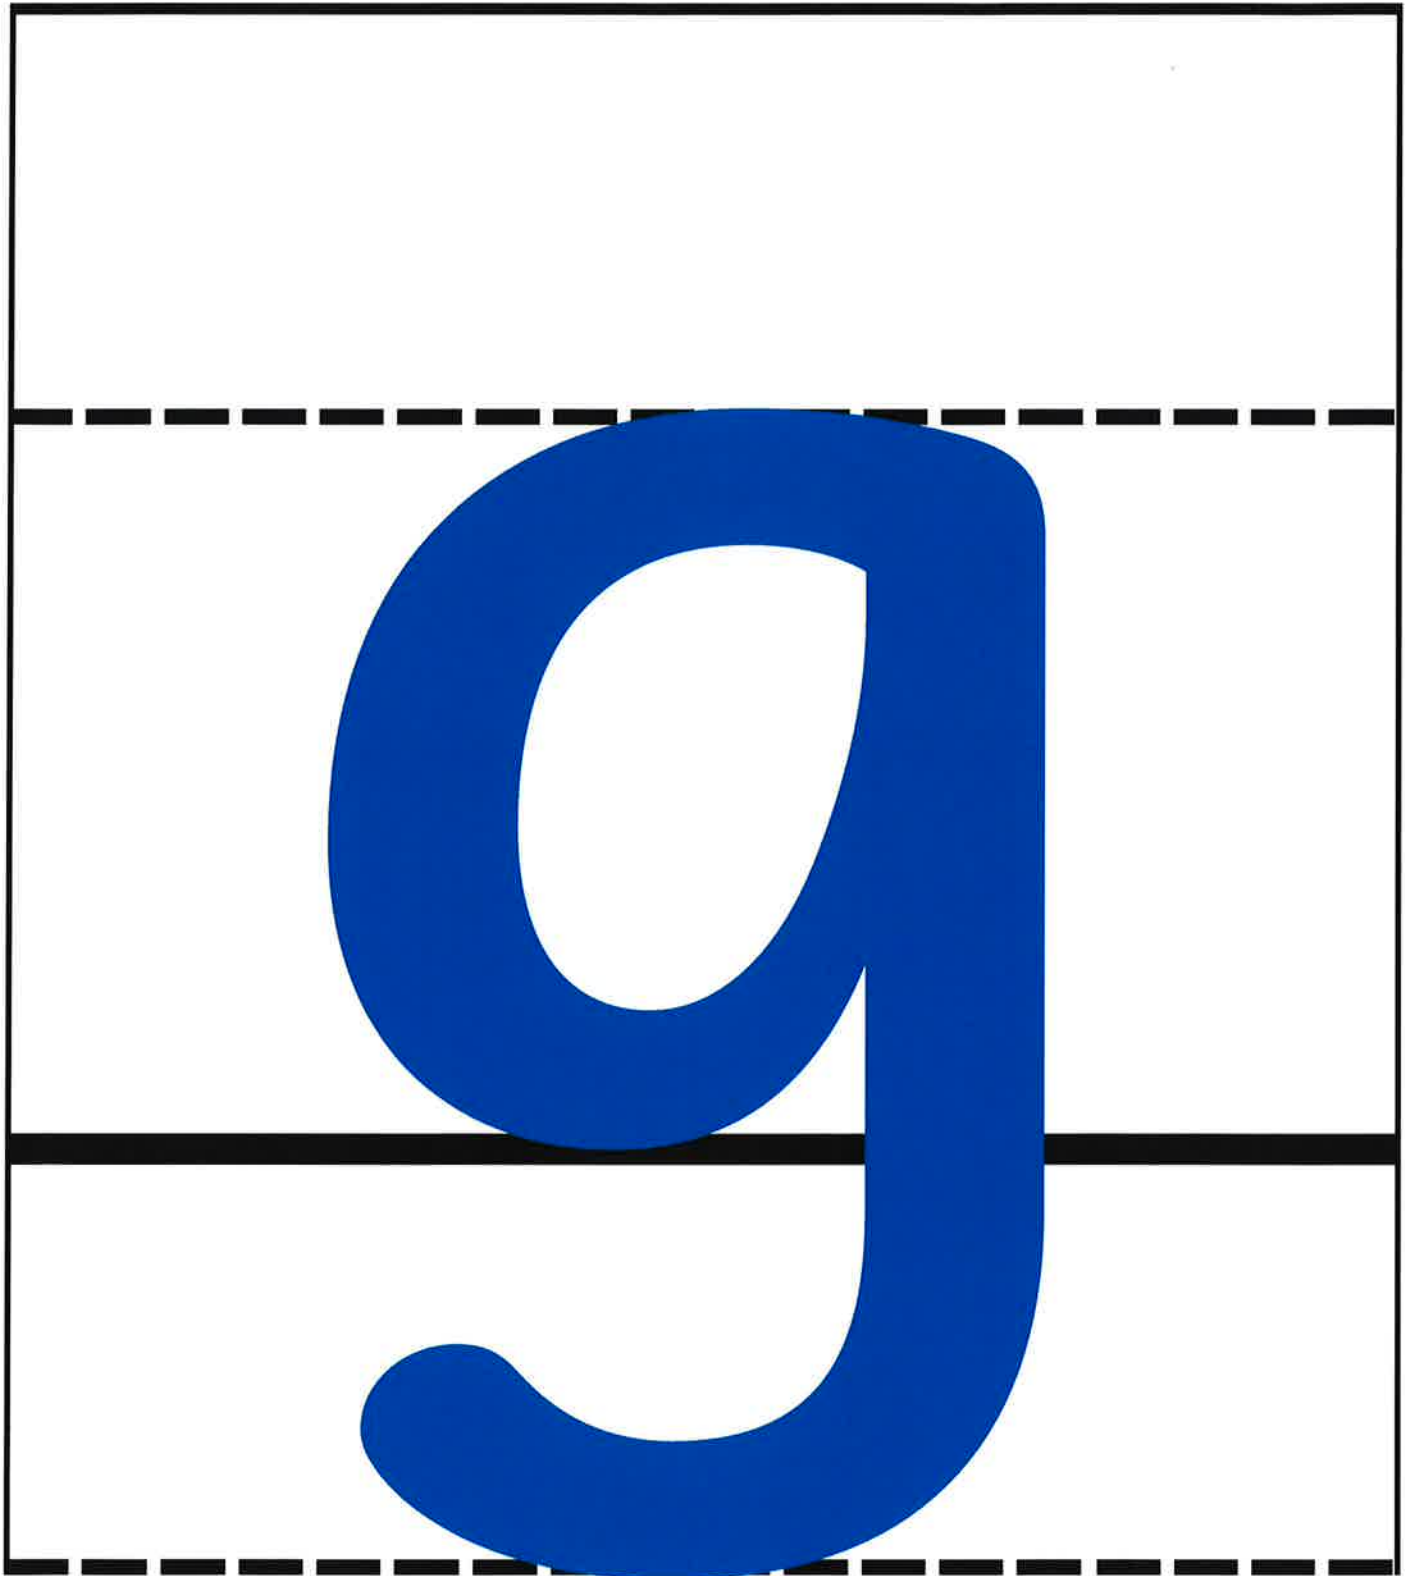

A large, blue lowercase letter 'd' is centered on a handwriting guide. The guide consists of a solid top line, a dashed middle line, and a solid bottom line. The letter 'd' is positioned such that its top curve is just below the middle dashed line, its stem reaches the bottom solid line, and its vertical bar extends from the middle dashed line to the top solid line.
